To LCA WA Congregations

Dear Pastor, Chairman, Secretary, Treasurer

LLL Mission Grants

Does your congregation have a brilliant mission idea, but lacks the funds to get it off the ground?

What would you change in your community?

How might you join in the mission of Jesus and make a difference for the Kingdom?

The LLL Mission Grants aim to enable congregations to set aside financial worries and focus on exploring new and innovative ways of connecting with their local communities through mission and outreach.

Create an initiative, expand on an idea or concept that has been dreamed about, but not thought possible because of the lack of resources or cost.

The Lutheran Laypeople's League continue to offer two generous grant programs:

1. **LLL Mission Outreach Grant** of \$25,000 to a congregational project in WA District each year for the three years, 2020, 2021 and 2022. This was formally known as the LLL Mission Stimulus Grant.
2. **LLL Mission Resources Grants** of up to \$5,000 to assist congregations with resourcing their mission.

We invite congregations to apply for these grants. Further information for each of these grants is included below, and application forms are enclosed.

Please see the important **LLL Mission Grant Acknowledgement Guidelines** also provided below.

Please submit your application to me as soon as your new initiative is ready to go.

LLL Mission Outreach Grant

Purpose

The LLL continues to offer \$25,000 per year to the WA District, to be awarded to congregational projects with a mission outreach focus.

Scope

- Grants of up to \$25,000 are available to congregations.
- Grants are provided to assist congregations to engage the Gospel with those who do not yet know Jesus. This is different from ministry which can be defined as the Gospel at work in existing church members and activities.
- Grants are not available from this fund to provide items that are part of the normal budgeting process of the congregation and items such as office equipment and maintenance of buildings.

Applications

Your application will summarise the proposed project and outline how it will develop the mission outreach of the congregation.

In practical terms the project would ...

- **involve ministry or mission expansion or new initiatives;**
- demonstrate a parish effort or contribution;
- demonstrate viability over the medium-term;
- include consideration for short and longer-term planning and a review process; and
- not request funding for outlay on major capital projects such as buildings, however, spending on minor capital or resources to support a project may be included.

Approval Process

When making decisions about approving submissions for funding, the District Church Council will consider most favourably those projects that support the LCA priorities 1 or 2, as stated in **OUR DIRECTION 2018–2024**.

1. **Grow as God's People**
2. **Go as God's People**

- Brief reports must also be provided, via the District, to LLL Promotions so that a selection of projects can be included in LLL publications. Please see the **LLL Mission Grant Acknowledgement Guidelines**.
